

■ FOR SALE — NO. 14 / DIVISION 1

DIANA.

MAN TGX RACE TRUCK

PRICE ON APPLICATION

A PROVEN RACE WINNER.

Diana was built by the renowned Jochen Hahn and won the 2022 championship before we bought her.

No expense has been spared keeping her ready to race, and she has proved a very fast and very reliable truck — a top-five finish every season since.

The truck is sold complete except for the engine, gearbox and radio comms — see engine options overleaf.

SPARES & SUPPORT

SPARES AND SUPPORT PACKAGE

The truck can come with a comprehensive spares and support package, built around what you need.

WE OWN THE PANEL MOULDS

We are happy to work with you and our panel suppliers to keep the truck looking top class.

DRIVE HER BEFORE YOU BUY

Serious buyers holding a truck race licence can arrange to drive the truck at one of our test sessions.

ON PAPER. EVERY DETAIL.

CHASSIS & STEERING

BASE	2014 MAN TGX, race-specific set-up
FRONT AXLE	MAN, twisted to 30° castor and 3° camber
STEERING BOX	RBL race-specific
STEERING LINKAGE	Custom track rod, drag link and steering damper

SUSPENSION & DAMPING

FRONT SPRINGS	Hahn
REAR SPRINGS	Unit 8 Motorsport
DAMPERS	Racitivity two-way adjustable, all round — as run in the British, FIA, French and Dutch championships

DRIVELINE

REAR AXLE	MAN 18t with differential and overdrive gear set
REBUILD SCHEDULE	Rear axle rebuilt at the end of every season
HALF SHAFTS	Machined to suit the differential

COCKPIT

PASSENGER SEAT	Fitted, with five-point harness
----------------	---------------------------------

COOLING & BRAKES

BRAKES	Fully water-cooled
WATER TANKS	200 litres
INTERCOOLER	MAN V10, recently re-cored

ELECTRONICS & DATA

SYSTEM	Full AIM data logging and management
SENSORS	Brake temperature all round, plus brake pressure
CONTROL	Speed control and full CAN control of all truck functions
DISPLAY	11-inch dash screen with multiple viewing options

ENGINE BAY

SET UP FOR	MAN D26 race engine
RECOMMENDED	Piedrafita — the truck is already set up for it
INCLUDED	Engine mounts, pipework and wiring to drop one in
ENGINE & GEARBOX	Not included — supplied by the buyer

ENGINE OPTIONS

DROP IN AND RACE

The truck is set up around the MAN D26 race engine. All engine mounts, pipework and wiring are part of the sale.

PIEDRAFITA RECOMMENDED

Our recommendation is a Piedrafita engine, because the truck is already set up to run one. Other packages work too.

WE HELP YOU SOURCE IT

We will pass on the contacts and everything we know about the engine packages available, whichever route you take.
